
INTEROFFICE MEMORANDUM

TO: CUSTOMER SERVICE
FROM: PAT LOVING
SUBJECT: CC 91 LETTER FOR W10219462, CONTROL BOARD
DATE: 7/08/15

This Class Code 91 letter is for control board W10219462 replacement for Kitchen Aid and Jenn Air Built In Refrigerator Units. This part is no longer available. Due to the failed ACU board W10219462 and the complexity of the control boards function the only resolution is to replace the entire control assembly with a service kit. Any product requiring this board will need to order one of the service kits according to model number. Refer to lists below.
